# International Association for Electromog-Research IGEF Ltd.

Internationale Gesellschaft für Elektromog-Forschung IGEF Ltd.

## CERTIFICATE

The results of the available investigations confirm that the product

>SOMAVEDIC MEDIC<

(IGEF-ID: BSO150430-21)

offers a protective effect against electromagnetic radiation dependent on numerous factors.

An individual assessment is advisable.

The requirements of the International Association for Electromog-Research IGEF for awarding the IGEF test seal are satisfied.

The preconditions for awarding the IGEF test seal must be verified once yearly.

01.05.2018
